OUR MISSION:

To enable all young people,
especially those who need us the most,
to reach their full potential as productive,
caring, responsible citizens.

A SAFE PLACE...

for those who might otherwise be left
alone after school or on the streets with
no guidance. The Club is a safe place to
play and be yourself.

LIFE ENHANCING LEARNING PROGRAMS...

that can open young minds. Boys & Girls
Clubs expose youth to new ideas and skills
that prepare them for life. We teach the
importance of character in all programs. The
Club provides members with computers and
other tools that enable them to be successful.

A RELATIONSHIP WITH CARING, TRAINED ADULTS...

the better the program; the more children
we can attract; the more likely they will build
a relationship with a caring adult; the more
opportunity our Boys & Girls Clubs can
positively influence the character of a child.

YOUR GENEROSITY WILL MAKE THIS IMPACT POSSIBLE.

About our Event

Please join us for the
15th ANNUAL ELITE GOLF OUTING
to help Kids as we tee off
at the Arcola Country Club

Every year the Boys & Girls Clubs of Lodi & Hackensack hosts a golf outing to support its academic programs. This year's golf outing will support STEAM programming at the clubs. STEAM is a program that provides students who otherwise would not be exposed, with 21st Century skills in the key areas of Science, Technology, Engineering, Art and Math.

In addition to our push towards STEAM education, we also provide children with other programs in core areas of personal self growth. Our mentoring program provides high-risk children with a mentor trained to act as a person of guidance and comfort as some of our children lack this care and compassion outside the club. We also offer our successful teen program, The Keystone Club. This group is structured to teach teens to work together and help others amongst their community focusing on key areas of success: Community Service, Academic Success, Leadership Development & Career preparation.

Making a tax deductible donation will also assist us with helping the children of our community. Please send your donation to the following:
