We also reserve the right to close the club for other weather and/or health related emergencies. You will be notified as soon as a decision is made. Daily refunds will not be given for any weather or emergency closings. Please check our Facebook for closure updates or call for an automated message.

_____ **Program Absences** – The After School Program is a flat monthly fee and must be paid in full each month by the designated date. **We will not provide refunds for individual absences, vacations, or failure to attend the program regularly.** Our program is based on holding a spot for your child, and we cannot operate our program effectively if we continuously give credits for individual absences.

When your child is going to be absent you must call the Club ASAP. When you do not contact the Club we spend too much extra time going through our procedures to locate your child who is absent and it delays our buses bringing our members back to the Club in a timely fashion.

_____ **Food Allergies-** Please provide any and all allergy information when completing your application. If your child requires special medication or treatments please speak with Mike Hosier immediately.

_____ **Kids Café Program-** The Boys & Girls Club of Lodi has a long standing relationship with the Community Food Bank of New Jersey. We will provide a nutritious dinner daily starting at 6:00pm. State regulations clearly state that only dinner can be served with this program. Therefore, on half days and no school you must provide your child with lunch or provide money to purchase lunch at the Club. The Kids Café program does not provide breakfast or lunch for our program. **Kids Café program will not start until October 2020.**

_____ **Lunch/Snack-** Unless otherwise notified, you must send your child with his/her own lunch and snack. There will be no food or snacks provided or for purchase at this time. We do not heat up any food, nor do we have space to store food in a refrigerator.

_____ **Club / Parent Communication -** In many instances the Club needs to contact parents for a variety of different reasons, Club Closings, program updates, payment requests etc. The Boys & Girls Club of Lodi will be introducing **Call-em-All** as a Parent notification tool. Please provide the main contact cell phone number.

_____ **Club Trips –** On occasion the Boys & Girls Club of Lodi will offer trips for our members to participate in. For each trip you will need to complete an individual permission slip. There is no blanket permission slip for trips.

_____ **Personal Belongings –** The Boys & Girls Club of Lodi is not responsible for lost or stolen personal belongings. Please refrain from allowing your child to bring anything of value to the Club, as we cannot be held liable if items are lost or stolen. _____ **Pick-up / Drop Off** – There is absolutely no standing, parking, picking up or dropping off permitted in the designated “Fire Lane.” You must park in a parking space for pick-up / drop-off. Any violation of this policy will result in punishment to the fullest extent of the law. Parents will be responsible for any towing costs or legal fees. This is per town and State Law. During the Covid-19 Pandemic, no parents will be permitted to enter the Club building. All children will be picked-up from outside. Parents must wear face coverings when picking up children.

_____ **Cancellation Policy** – In the event that your child will be absent for an extended period of time or removed from the program, you must provide the Club **30 days’ written notice**. If you make this request without 30 days’ notice your automatic payments will not stop until the following month. If you are leaving the program and do not provide sufficient notice you will not receive any credits. ***During the Covid-19 pandemic, we will work with families that need to modify program selections as best we can. We cannot edit auto payments without at least two weeks notice. MEMBERSHIP FEES ARE NOT REFUNDABLE.**

_____ **School Trip Policy** – It is not the Club’s responsibility to pick up any child that arrives back from a school class trip after our bus has left that school. We do not have alternate transportation to go back to any school for this reason. It will be the responsibility of the parent to make arrangements in advance if the trip returns after our bus leaves the school. It is the parent’s responsibility to notify the Club when such a trip will occur.

_____ **After School Tutoring** - Due to outsourcing of busing for the After School Program and depending on the arrival time of the buses, we **WILL NOT** be able to wait for your child if they need to stay After School for any reason. Once our buses are on school property we must board the bus and go to the Boys & Girls Club immediately. Our buses make multiple trips and cannot wait for ANY After School activities at the school. It will be up to the parent to pick up the child or provide transportation in these situations.

_____ **Late Pick Up Policy Covid-19** – The Program has set hours of operation. Due to the Covid-19 Pandemic, all children must be picked up promptly at 6:05pm or their set end time based on program selection. This is to ensure we have enough time to clean and disinfect for the next day. **Parents will be charged \$10 per every fifteen (15) minutes for every child that is picked up after 6:05pm.**

_____ **Late Pick Up Policy Normal Times** – During normal times, The After School Program operates from 3pm-7pm. Parents are given a grace period to pick up their children until 7:30pm. Parents will be **charged \$10 per half hour** for every child that is picked up at 7:30pm or later. We do not have the staff in place to keep children beyond 7:30pm. On half days or vacation days, children must be picked up by 6:30pm. The same policy is in effect for half days and vacation days, with the exception that late charges will begin at 6:30pm.

_____ **Social Media / Phone Policy/FaceTime/Video Chat** – The Club will not be held responsible for the usage of cell phones, tablets or other electronic devices in the Club. We do not monitor member’s usage of social media at the Club. If your child posts pictures or videos of other children you will be held responsible for such actions. It is strictly prohibited for any parent to speak to another child without Club staff and that child’s

parents being present. If you choose to utilize a video chat feature to do so you will be prosecuted to the fullest extent of the law. *The Club's Social Media policy is in effect for STAFF only.*

_____ **Covid-19 Policies/Procedures:**

All members must be screened and have their body temperatures taken prior to entry into the facility. Policy on Remote Learning

We understand that the Covid-19 Pandemic has provided a unique challenge for students to learn. And so, we wish to provide them with a safe and conducive environment for our members to complete their remote learning.

When a device opens, a new lottery will be conducted for those not yet assigned a device, and will follow the same procedure. Members will not be permitted to take loaner devices home. Parents will be responsible for any damage and/or replacement costs for devices damaged by its assigned member.

If your child will be bringing his/her own device, we ask that you put your child's name on the device. We also ask that you send the device with a full charge, as we have a limited number of electrical outlets for members to share. Our facilities are equipped with Wifi and internet. We do our best to maintain and upgrade the internet as needed. However, we cannot be held liable for Wifi/Internet/Power Outages while your child is participating in remote learning. These outages are many times out of our control.

We will have basic school supplies on hand for our members; however, if their teacher or school requires them to have certain school supplies, then you should send your child to the Club with them.

During the remote learning hours, staff will only be in the room to supervise your child. The staff member is not a certified teacher. We will do our best to make sure your child is able to participate in his/her remote learning.

After the remote schooling hours end, your child must participate in Boys & Girls Club Programming.

Additionally, the survey asks about the attitudes and health behaviors of Club members, including questions about nutrition and physical activity. Teen members aged 13 and older are asked additional questions around alcohol, tobacco and other drug use, fighting, arrests, and whether teens are sexually active.

Members will be asked to fill out one survey in the spring of 2021 during regular Club hours. The survey takes 30 - 45 minutes to complete, and will be administered online. Participating in this survey will cause no risk to your child. The only potential risk is that some teen members might find certain questions to be sensitive. The survey has been designed to protect your child's privacy. Members will not put their names on the survey, and no member will ever be mentioned by name in a report of the results. All information from the survey is being used to assess the wellbeing of Boys & Girls Clubs members and will be kept completely confidential. Only the Boys & Girls Clubs of America national organization that is conducting the survey will have access to the data. Others will see only reports of the information combined for groups of youth in the study or all youth at a Club. No reports will be shared that show your child's answers on the survey.

Your child will get no benefit right away from taking part in the survey. The results of this survey will help your child and other members of Boys & Girls Clubs in the future by assisting all national Boys & Girls Clubs to develop programming that best meets members' needs. We would like all members at our Club to take part in the survey, but the survey is voluntary. No action will be taken against the Club, you, or your child if he/she does not take part. Additionally, survey participants can skip any questions they do not wish to answer and may stop participating in the survey at any point without penalty. If you would like to see the survey, a copy is available at the Front Desk. You may review the survey at the Club during regular Club hours between 9:00am-8: 00 pm

Use of Cloth Face Coverings to Help Slow the Spread of COVID-19

How to Wear Cloth Face Coverings

Cloth face coverings should—

- fit snugly but comfortably against the side of the face
- be secured with ties or ear loops
- include multiple layers of fabric
- allow for breathing without restriction
- be able to be laundered and machine dried without damage or change to shape

CDC on Homemade Cloth Face Coverings

CDC recommends wearing cloth face coverings in public settings where other social distancing measures are difficult to maintain (e.g., grocery stores and pharmacies), **especially** in areas of significant community-based transmission.

CDC also advises the use of simple cloth face coverings to slow the spread of the virus and help people who may have the virus and do not know it from transmitting it to others. Cloth face coverings fashioned from household items or made at home from common materials at low cost can be used as an additional, voluntary public health measure.

Cloth face coverings should not be placed on young children under age 2, anyone who has trouble breathing, or is unconscious, incapacitated or otherwise unable to remove the cloth face covering without assistance.

The cloth face coverings recommended are not surgical masks or N-95 respirators. Those are critical supplies that must continue to be reserved for healthcare workers and other medical first responders, as recommended by current CDC guidance.

Should cloth face coverings be washed or otherwise cleaned regularly? How regularly?

Yes. They should be routinely washed depending on the frequency of use.

How does one safely sterilize/clean a cloth face covering?

A washing machine should suffice in properly washing a cloth face covering.

How does one safely remove a used cloth face covering?

Individuals should be careful not to touch their eyes, nose, and mouth when removing their cloth face covering and wash hands immediately after removing.

Sewn Cloth Face Covering

Materials

- Two 10"x6" rectangles of cotton fabric
- Two 6" pieces of elastic (or rubber bands, string, cloth strips, or hair ties)
- Needle and thread (or bobby pin)
- Scissors
- Sewing machine

Tutorial

1. Cut out two 10-by-6-inch rectangles of cotton fabric. Use tightly woven cotton, such as quilting fabric or cotton sheets. T-shirt fabric will work in a pinch. Stack the two rectangles; you will sew the cloth face covering as if it was a single piece of fabric.

2. Fold over the long sides $\frac{1}{4}$ inch and hem. Then fold the double layer of fabric over $\frac{1}{2}$ inch along the short sides and stitch down.

3. Run a 6-inch length of $\frac{1}{8}$ -inch wide elastic through the wider hem on each side of the cloth face covering. These will be the ear loops. Use a large needle or a bobby pin to thread it through. Tie the ends tight. Don't have elastic? Use hair ties or elastic head bands. If you only have string, you can make the ties longer and tie the cloth face covering behind your head.

4. Gently pull on the elastic so that the knots are tucked inside the hem. Gather the sides of the cloth face covering on the elastic and adjust so the mask fits your face. Then securely stitch the elastic in place to keep it from slipping.
