Discipline Policy

We understand each child is a different. As we depend on parent/guardians to support the code of conduct to best ensure the safety of all our children.

“The Boys & Girls Clubs of Lower Bergen County’s definition of discipline is to hold youth accountable for their behavior and help members solve problems and gain a greater understanding about the consequences of their actions, but not as punishment or control”

We ask that parents/guardians read through Parent Handbook to best assist in the supporting code of conduct.

Thank you!

If you have any questions please let me know .
