About Our Mission

Our mission is to enable all young people, especially those who need us the most, to reach their full potential as productive, caring, responsible citizens.

What We Provide

A SAFE PLACE TO LEARN & GROW...

for those who may otherwise be left alone with no guidance, after school or throughout the summer.

The Club is a safe place of inclusion where children can play and be themselves.

LIFE ENHANCING PROGRAMS...

that open young minds. Boys & Girls Clubs expose youth to opportunities and experiences they otherwise would not have. Our life enhancing programs teach youth life skills and prepares them for the future. Our priority outcome areas are: Academic Success, Good Character & Citizenship, and Healthy Lifestyles.

A RELATIONSHIP WITH CARING, TRAINED ADULTS...

the better the program; the more children we can attract; the more likely they are to build a relationship with a caring adult; the more opportunity our Boys & Girls Clubs can positively influence the character of a child.

YOUR GENEROSITY WILL MAKE THIS IMPACT POSSIBLE.

Tee Off For the Kids

Join us for our annual golf outing, which will raise much-needed funds to support the youth programs at our Clubs!

BGCLBC youth programs include Power Hour, our daily homework help and tutoring program, Money Matters, our financial literacy program, STEM is Everywhere, science, technology, engineering & math programming, the Arts, Mentoring, and more. Our well-known mentoring program provides at-risk youth, who are in need of a positive role model, with a caring adult mentor, trained to act as a person of guidance, comfort, and encouragement. Recognizing the need for and importance of mental health supports for youth, we hired a licensed social worker who provides Social Emotional Learning & Trauma Informed Care at no cost to families.

This golf outing will help fund all of this and more!
